

## THE FREEMAN FAMILY FOUNDATION BURSARY FOR STUDY AT HEBREW UNIVERSITY

The Canadian Friends of Hebrew University (CFHU), with matching funds from the Ontario Student Opportunities Trust Fund (OSOTF), has established a Bursary for McMaster University students to study for a summer, semester, or academic year at the Hebrew University of Jerusalem.

### Who May Apply?

- Graduate students who would benefit from study at Hebrew University to complete their thesis or pursue language work.
- Undergraduate students for a course of study at Hebrew University that is specifically related to their major or minor area of study at McMaster.
- Undergraduate students who wish to attend Hebrew University for general interest courses to be counted as elective study.
- We normally give priority to applications for a one-semester or full-year stay with (in the case of undergraduate students) a full course load. We will also consider applications to take part in the Summer Ulpan program (end July to end September) or a summer course.
- We are now inviting applications for study through June 2018.

Applicants must meet the OSAP residency requirement of having lived in Ontario for twelve consecutive months directly prior to commencing full-time post-secondary studies. Applicants must demonstrate financial need. Final approval is subject to the acceptance of the applicant by Hebrew University.

### How To Apply

The application process has two stages:

1. Please submit the following to the **Department of Religious Studies** (University Hall Room 104, McMaster University, Hamilton, Ontario, L8S 4K1) – by **March 15, 2017**.

- Application form
- 500–1000-word statement of a plan of study
- Letter of recommendation from a professor with whom you have studied
- Current course transcripts

2. If the first stage of the application is successful, the Department of Religious Studies will ask you to make a separate bursary application to the **Office of Student Financial Aid & Scholarships (SFAS)** within 30 days. The Department reserves the right to withdraw its approval of your application in case this deadline is not met, which could lead to your not receiving the bursary.

**Terms and Conditions:** You must consult with the Department about any changes to the program of study or timing of the stay specified in your application. If changes to the program of study to be funded by the bursary are not approved by the Department, you will risk forfeiting the award.

To learn about all programs of study at the Hebrew University of Jerusalem, see <http://new.huji.ac.il/en>. For programs for Overseas Students, see <http://overseas.huji.ac.il/>. In addition to the Freeman Family Foundation Bursary, other funds may also be available by direct application to the Canadian Friends of Hebrew University (<http://www.cfhu.org/students>).

**TENTATIVE COURSE LIST**

Please review the McMaster University Calendar and the Hebrew University's current course listings in order to list the courses you might take (give the course title, area of study, and course no. if applicable). (We recognize that the courses actually offered in 2017-18 might well differ from the ones currently listed on the Hebrew University website, so this list is just a tentative one, designed to give us an idea of what you would study and how it would count toward your program at McMaster.) For each course, indicate whether you want it to count as a required course or as an elective, and, if applicable, give the equivalent course taught at McMaster. This is *not* an official registration for courses at Hebrew University. Please make an appointment to see your academic advisor well in advance of the application deadline in order to discuss this Tentative Study Plan, and ask them to approve the Plan by signing in the appropriate fields.
